INSTRUCTIONS TO RECOMMENDERS

Thank you for offering to complete a recommendation form on behalf of this student. Your input is important in helping us determine how well this student exemplifies the qualities expressed in our mission statement:

Rambus "Innovator of the Future" Scholarship Mission Statement

The Rambus "Innovator of the Future" Scholarship seeks to broaden the educational opportunities of students who, by virtue of their academic and extracurricular achievement, demonstrate a passion for science and technology that extends beyond the classroom. The winners must possess strong leadership and communication skills as well as the desire to positively impact society through innovation in science and technology.

Up to two individuals will be awarded \$10,000 each for college tuition and books.

**Letter of Recommendation**

Please provide a letter of recommendation, addressing the following areas (as applicable) in no more than one page:

- Your relationship to the student applicant and the length of time you have known him/her
- The student's passion in the areas of math/science/technology
- The student's leadership qualities and potential for leadership
- The student's enthusiasm and motivation
- The student's potential for growth
- The student's ranking relative to his or her peers

Please complete your letter of recommendation on school letterhead if you are a teacher or educator.

Mail this completed form along with your letter of recommendation, **postmarked on or before February 1\*, 201, ,** to the following address:
